HALLOWEEN FOOD SAFETY TIPS FOR PARENTS

SNACKING: Children shouldn't snack on treats from their goody bags while they're out trick-or-treating. Give them a light meal or snack before heading out. Urge them to wait until they get home and let you inspect their loot before they eat any of it.

SAFE TREATS: Tell children not to accept - and especially not to eat - anything that isn't commercially wrapped. Inspect commercially wrapped treats for signs of tampering, such as unusual appearance or discoloration, tiny pinholes, or tears in wrappers. Throw away anything that looks suspicious. www.fda.gov
